

HOW TO PROPERLY PLACE CARTS CURBSIDE ON COLLECTION DAY

*We need your help to serve you better
and to improve collection efficiency!*

STEP #1

CLOSE THE LID & ROLL TO CURBSIDE

Place all items inside the cart, close the lid completely and safely ROLL the cart(s) to the edge of the curb. Please bag all trash to prevent litter.

STEP #2

MAKE SURE THE CART HANDLE IS FACING YOUR HOME

PLACE the cart(s) at the edge of the curb with the wheels and handle facing the house and the lid opening facing the street

STEP #3

CARTS MUST BE CLEAR OF ALL OBSTACLES

Make sure there is nothing in front of the cart and at least 4 feet of space or clearance on all other sides. Do not place any trash on the lid or beside the cart. Everything MUST be in the cart for collection

STEP #4

TO STOP WIND SPILLAGE

All trash must be bagged due to automated truck dumping over the top
